#### PUREBRED FEMALES FAVORED

in Opinion of Specialists Number of Purebreds of Both Sexes Is Rap-Idly Increasing.

the United States Depart of Agsires afteurs to in-March 31, 1920, the quality of female period October 1, 1919, to December 81, 1920, show that the number of sponding conditions had increased to cent and scrubs had fallen to 2.1.

These figures are based on a knowl edge of the breeding of nearly 400,000 head of animals and poultry. In the opinion of department live stock specialists, the more general use of purebreds of both sexes on farms in the United States is increasing. In about a year, it appears, the increase in the use of purebred females by purebredêire users has been at least 7 per cent.

#### DEVELOP HORSES AND COLTS

Protein Feeds Tend to Produce Muscle -Concentrates Are Necessary for Work Animals.

For young horses and colts muscle development is very important. Proteln feeds tend to produce this. So do leguminous hars, such as alfalfa, clover, cowpeas, soy beans and peanuts. The following concentrates are valuable: Wheat bran, cottonseed meal, rice, bran and shorts. From one to two pounds of cottonseed meni a day with the grain have been found to be very economical and highly desirable for horses doing heavy work.

#### SELLS HIS POOR PUREBREDS

Understeed and Poorly Conformed Animals Sold for Beef by Nebraska Live Stock Man.

"I sold as beef two purebred Shorthorn bulls, one undersized, the other of poor conformation." This statement to the United States Department of Agriculture from a Nebraska stockman aiding in the Better Sires-Better Stock campaign, indicates a growing understanding that desirable sires must be of good quality in addition to being purebred.

## Catarrhal Deafness Cannot Be Cured

Catarrhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. IHALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed. Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, Learing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces.

THE U. S. USCO TREAD

Here is the U. S. Usco Tread, with a long-established standard of serv-e among motors is who have an eye to value, as well as to price. While selling for less than the other tires in the U. S. Fabric line, the Usco has earned a reputation f : quality and dependable econ my which is not exceeded by any tite in its class.

# Allicii Gile of Aoni neighbors gets the best mileage out of his tires?

EVERY once in a while you hear a motorist say as he kicks a rear tire with an admiring foot, "there's a lucky tire!" Give him a chance and he'll tell you all about it. And then you'll find that what he calls "luck" is simply his first experience with a quality standard tire.

> It all comes to this - buy a U. S. Tire anywhere in this country and you get definite, predictable value for your money no matter what weight car you drive.

> The man who has been guessing his way through "overstocks," "discontinued lines," "job lots" and the like, will find it refreshing to talk with the local U. S. Tire dealer who is concentrating on a full, completely sized line of U.S. Tires.

> For the first time he will hear some straight quality tire facts—and get the difference between chance and certainty in tire buying.

The U.S. Tires he sees in stock are fresh, live tires. They come direct to the dealer from his neighboring Factory

There are 92 of these Branches established and maintained by the U.S. Tire

Giving your dealer a continuous moving stock of new, fresh tires built on the certainty of quality first every time
